College. CareerTech. Military Service. The Skilled Trades.

WORK IS STILL WORTH TEACHING!

For 20 years, Tyler Herring worked in Oklahoma manufacturing. ***He knows success doesn't come from government.***

It comes from hard work, responsibility, and opportunity.

TYLER
HERRING
STATE SENATE

PREPARING STUDENTS *FOR LIFE!*

★★★

Tyler believes public service is a job. When voters elect someone to do that job, they deserve a State Senator who shows up, does the work, and earns their trust.

THAT'S THE KIND OF LEADERSHIP TYLER HERRING WILL BRING TO THE STATE SENATE.

★★★

Tyler Herring believes every student deserves an education that prepares them for success in the real world.

That's why he'll fight to:

- ✓ Strengthen Oklahoma's public schools
- ✓ Expand CareerTech, apprenticeships, and skilled trades opportunities
- ✓ Keep parents in charge of their children's education
- ✓ Keep classrooms focused on learning—not political agendas
- ✓ Ensure every student graduates prepared for college, military service, or a good-paying career
